

**Registration form for COMPUTE course
“Monte Carlo and molecular dynamics tools” 2019**

The course “Monte Carlo and molecular dynamics tools” will be given in the second study period of the spring term 2019 (April 1 – June 5). Some programming background is an advantage. Participation in the course requires an operational laptop. More details about the course can be found at the COMPUTE website <http://cbbp.thep.lu.se/compute/Courses.php>.

Spaces in the course are limited, so please register as soon as possible to increase your chances of being admitted. Please return this form by March 22. You must be enrolled in the COMPUTE research school to register for the course.
